“Promoting dignity. Modeling benevolence.”

History: Begun in 2006 with a \$500 grant, Tracey Keim originally designed the GDP&C as a project to assist students with suits and dresses for dances and interviews. From those many garments grew something much larger in scope, yet small in size.

The 6'x9' space helps hundreds of students and their families annually, thanks to our generous Closeteers, many of who attended SPHS or participate in neighborhood, church, or civic sponsorships and supply drives for the Green Devils Pantry & Closet.

Mission Statement: To provide food, household/school supplies, SPHS merchandise, and other needed items to any member of the Green Devil family without question or judgment to promote success in school, at work, and in the community.

Our clients are often in transition, homeless, living in hotel room(s) or in multi-family households. *Donations made to SPHS Green Devil Pantry* allows the sponsor to purchase specialty items or purchase gift cards so families can shop for their household.
