

## **Forever 21 @ Countryside Mall Clearwater**

My name is Karlee Ray, I am the Visual Manager of Forever 21 located in Countryside Clearwater. Our Brand just expanded its job opportunities to hire minors [starting at 16](#) years old. We want to provide a safe and fun environment to our community and facilitate a first job experience to our community. We would love to partner with nearby schools to take advantage of this work experience as we can offer a comprehensive training program that will develop any students interested in fashion, business management, visual designs, and advertising among other areas of interest. For more information, we can be reached at [karleeray28@icloud.com](mailto:karleeray28@icloud.com) or [\(727\)373-3672](tel:(727)373-3672)

Thank you!
