

We have employment opportunities for students seeking a rewarding experience in a family-like environment.

Oak Manor Senior Living Community has been serving residents for over 40 years. We provide care and dietary services to over 300 residents in our assisted living, independent living, and skill nursing facility.

We currently have positions open in our dietary department that include servers, dishwashers, and dietary aides. The starting rate of pay for these positions is \$10/hour and we offer flexible work schedules for high school students.

If you are interested in learning more about these opportunities, please contact Deb Pienkowski, Director of Human Resources at 727.581.7828 or dpienkowski@oakmanorliving.com

Note: Parent/Guardian consent required for students under 18 years of age for AHCA Level II background screen. We adamantly adhere to regulatory requirements relative to employment of those under the age of 18. We do not employ students under the age of 16.
