

# *Rising* **THIRD GRADE**

## *Summer Newsletter*

### **SUMMER IDEAS**

- Check out local parks and write a reflection about the observations that you made
- Check your local library for free classes & activities
- Practice your typing skills using a typing application.
- Try coding with either code.org
- Check out local museums and keep a diary of what inspired you.
- Gather recyclable materials and create a unique animal sculpture or habitat.
- Write a letter to your third grade self; what are your goals for next year?
- The Post Office creates new stamp designs each year, create a design you would like to see on a stamp.
- Summer Wonders: Record questions that you wonder about in a summer wonder journal.

### **FUN IN 3<sup>RD</sup> GRADE!**

- Multiplication and division
- Inquiry study of gravity, rocks, and minerals, plants and animal classification
- STEM challenges
- DASH robotics
- Author Studies
- Cursive Handwriting
- Service Learning Projects
