My name is Tonya Rivera and I am a NEHI alumni. My day job for 22 years has been in insurance, but I have always dreamed of opening a clothing closet to help those with a tight budget. I wanted a clothing closet that gave unconditionally, where no money or obligation is ever needed to look and feel good. With the help of many friends and local organizations, my dream has come true and I am able to help people look good as they enter the workplace. Call, text or e-mail me to set up an appointment.

I look forward to meeting you!
