

Wednesday Watch No. 11 2-23-2024

Principal's Note

Greetings Melrose Families,

We are moving toward the end of our third grading period of teaching and learning with great expectations for what our scholars have learned as we approach testing time. The last day of this grading period is March 8th and report cards are distributed on March 28th.

While we are late this year, Saturday Academy will begin on March 2nd, for our scholars in grades 3-5. Letters will come home next week. **ALL scholars in grades 3-5 SHOULD be at Saturday Academy.**

Scholars in grades PK-5 are working hard daily to ensure that they can perform all required tasks to show that they have mastered the major work of the grade level and are able to be promoted to the next grade. Please help your child to be prepared by having them at school on time and present for the entire day. This is a critical part of the year for teaching and learning and every minute counts. You can make the difference by working with your child on skills and strategies suggested by your child's teacher. Parents of scholars in grades PK-2, read to and with your child, nightly.

A special thank you to the Black History Committee for the fun and exciting things they have planned throughout the month of February. We are looking forward to the upcoming closing ceremony scheduled for February 29th. We hope to see you there!

As Spring Break is quickly approaching, we are focused on increasing scholar attendance. Every day of learning matters. Let's make sure that scholars are at school on time, daily.

Thanks for all that you do to help grow greatness at Melrose!

Love Melrose absolutely!

Principal Wilson
