Principal's Note

Greetings Melrose Families,

I hope all of you fared well through Hurricane Idalia. It was great to have our scholars back at school and engaged in learning.

We are looking forward to seeing all of you at our Open House/Back to School Night on 9/13 5:30-6:30. Please be sure to come out and meet your child's teacher and to learn more about how to get involved at Melrose.

It seems like we just started the school year, but we are already close to the mid-way point of the quarter. Please be sure you are in contact with your child's teacher to understand how your child is performing academically and behaviorally. This is a great time to make a change in either or both of those areas.

Thank you for being great about sending your scholars to school ready for success in their school uniform. This is required daily unless noted for a special event.

Please remind your scholars of our school-wide expectations: Safe- Responsible-Respectful. It is critical that scholars follow these expectations and that scholars keep their hands, feet, and objects to themselves. We appreciate your support as we continue to work with our scholars. Remember you are your child's first teacher!
