

Pinellas Park Middle School

7th & 8th Grade CIVICS

A study of the United States Government, Citizenship, Founding of the Nation, Rights and Liberties, Running for Office, U.S. and the World.

Civics Classes cater to a variety of learning styles. Students will explore the world of Civics through interactive student notebooks, hands-on and group activities, videos, writing, analyzing primary sources and action-packed review games.

Student progress is measured through several means: MAJOR exams- Quarter (Cycle) Assessments- Mid-Term Assessment (10% of Grade)- End of Course (EOC) (30% of Overall Grade).

Students also participate in Unit tests, as well as weekly remediation exercises to ensure mastery of Civics materials. Ongoing formative checks also determine how well a student is comprehending the material on a daily basis.
