

MIDTOWN ACADEMY'S BATTLE OF THE BOOKS CLUB

Love to READ? Join Midtown Academy's **Battle of the Books Club!** The goal of the club is to encourage elementary students to read quality literature in a variety of genres. Students in this club participate in games, discussions, and other activities related to the books selected from the current 2024 - 2025 SSYRA/Battle of the Books list. In March, any student in the Battle Club (and even those not in the club), can take a test to qualify for a position on the official Midtown Academy Battle of the Books team.
