## Gifted Children's Bill of Rights

You have a right to

- know about your giftedness.
- learn something new everyday.
- be passionate about your talent area without apologies.
- have an identity beyond your talent area.
- feel good about your accomplishments.
- make mistakes.
- seek guidance in the development of your talent.
- have multiple peer groups and a variety of friends.
- choose which of your talent areas you wish to pursue.
- not to be gifted at everything.
