### College & Career Readiness

Students graduating with a college and career readiness indicator will increase from 74% to 80%, as measured by the number of students earning college credit or an industry certification.

## 22-23 School-Wide Instructional Strategies

- Expansion of the following AVID WICOR strategies across all contents: Focused-Note Taking, Socratic Seminars with anchor text and the AVID Binder.
- Daily authentic use of learning goals and scales for identifying critical content and as a means of tracking and monitoring student progress.
- The use of digital tools for the purpose of learning through student engagement and collaboration.

In addition to the 2022-2023 School-Wide Instructional Strategies, BCHS administration will support teachers through strategic use of content area PLCs, common planning time, ongoing professional development, coaching and student data analysis and through coordinating district level supports for teachers.

A focus on campus culture/climate will include a reboot of our PBIS initiatives the the implementation of Pirates ARRR! (accountable, respectful, responsible, resilient)

Students needing additional support may receive lunch-time tutoring with participating teachers, attend after school tutoring in the media center from 2 p.m. - 3 p.m. every Monday, Wednesday and Thursday and/or may engage in more intensive and personalized interventions through creative scheduling.
