

Please note: Every 12 weeks a new reporting of Functional Capacity for Controlled Open Enrollment options will be posted. This data rapidly changes and is only accurate at the time the data is pulled. Capacity data was pulled on August 1, 2024.

Please note no out-of- county resident may displace a student residing in Pinellas County so Special Assignment Requests are processed first. We will review and grant Controlled Open Enrollment requests (Special Assignment Requests and Special Attendance Requests) throughout the year and grant when seats are available. All non-granted requests are placed on a wait list.
