

PINELLAS COUNTY SCHOOLS GENERAL TERMS AND CONDITIONS

1. PREPARATION OF BIDS:

- a) **Bidder's Liability:** Bidders are expected to examine the specifications and all special and general conditions, requirements, and instructions. Negligence on the part of the bidder to make the necessary examinations and investigations, visit appropriate site locations and become familiar with ALL locations covered under this bid, or failure to fulfill, in every detail, the requirements of the contract documents, will not be accepted as a basis for varying the requirements of the district or for paying additional compensation to the contractor. Failure to do so is at the contractor's risk. Failure to follow the instructions contained in the bid for completion of a bid response is cause for rejection of a bid.
- b) **Submittal of Bids:** BIDS SHALL BE SUBMITTED as Electronic Responses via the District e-Procurement Portal: <https://procurement.opengov.com/portal/PCSB>
- c) **Receipt of Bids:** The purchasing department is not responsible for timely bid/proposal response, by the specified due date and time. **LATE BIDS WILL BE REJECTED!**
- d) **Forms:** All bids must be submitted on and comply with the bid forms provided. If additional space is required, the bidder may submit an attachment which will become part of the bid response.
- e) **Quoted Prices:** Prices are to be submitted in accordance with the quantities required. Unit prices will prevail over extended totals whenever the extended amount is in conflict with the estimated quantity (x) the unit price. When a total group price of two or more distinct items is requested, the purchasing department reserves the right to verify mathematical extensions and totals, correct extensions and totals if necessary and recommend an award based upon the overall group total.
- f) **Freight Terms:** All items are to be bid **FOB destination** with all freight charges included in the bid pricing. Any exceptions to these freight terms taken by the bidder must be clearly stated in the bidder's proposal. The purchasing department will evaluate any such exceptions and determine if the exception constitutes grounds for rejection of the bidder's proposal.
- g) **Item Specifications:** Specifications in this document may reference specific manufacturers' products and list their model or part numbers, followed by the words "or equal" or "approved brands". Unless the words "only" or "No Substitutes" is used in place of "or equal", these references are intended to establish a quality and performance standard only. Anything listed, herein, of a proprietary nature is done so without express knowledge or intent to exclude other manufacturers' products from consideration.
 - i) Any item bid as an alternate which lacks sufficient descriptive literature or technical information to enable a complete comparative analysis, may prevent its consideration.
 - ii) If the bidder does not clearly state in their bid proposal that an item proposed is an alternate to that specified, the bidder must furnish the specified item upon receipt of a purchase order or else be declared in breach of contract.
- h) **Product Certification:** When product certification is requested, the bidder must submit a signed, notarized affidavit along with their bid attesting that the item meets all specifications requested.
- i) **Proposal Organization:** Bidders are expected to organize their bid proposals in such a manner as to facilitate the evaluation process. Bid proposals should be keyed or indexed to correspond with this bid solicitation. Responses should be correlated to the specific Submittal, Criterion, Section or Paragraph Number of the **Invitation to Bid** or **Request for Proposal** being addressed. District staff will make a reasonable effort to locate information in the bid proposals; however, failure to follow this suggested format may make location of critical submittal information difficult, possibly resulting in a loss of appropriate point credit or complete rejection of your bid proposal.

2. INQUIRIES/INFORMATION:

Any questions by prospective bidders concerning requirements of this bid should be addressed to the buyer whose name is listed in the Solicitation.. The buyer will assist vendors and answer questions to the best of his or her ability. Questions of a technical nature may be referred to other individuals by the buyer for an appropriate response as deemed necessary. Requests for interpretation of the bid or additional information should be communicated to the buyer in writing no later than the deadline for questions and clarifications listed in the Solicitation. Requests for information relating to bids in process will be addressed without delay when such information has a **material** effect on the completion of your bid response. Every effort will be made to supply other requested information of a less critical nature, such as, **lists of vendors solicited, pre-bid conference attendees, firms who have picked up or downloaded plans and specifications, historical bid data or bid tabulations** within (48) hours from receipt of a request. Bids or Proposals submitted will be considered only from contractors, manufacturers, authorized distributors or dealers who are normally engaged in the manufacture, sale or distribution of the materials or services requested herein. The bidder must have adequate organization, facilities, equipment and personnel to ensure prompt and efficient service to the district. The purchasing department expressly reserves the right to reject any bid proposal if it determines that the business and technical organization, equipment, financial and other resources, or experience of the bidder, compared to work proposed, justifies such rejection.

7. CONFIDENTIALITY OF STUDENT RECORD INFORMATION:

Student record information may be provided to vendors to enable them to respond to a sealed bid invitation or to a request for proposals, or to perform under a contract already awarded to them. Vendors are hereby notified that any such student record information must be kept strictly confidential and may not be released to any other person or entity without authorization, pursuant to FS. 228.093 and Rule 6A-1.0955, FAC. Under Chapter 119 F.S., (Florida's Public Records Law) sealed bids or proposals received by the district pursuant to invitations to bid or requests for proposals may only be kept confidential until such time as the district provides notice of a decision or intended decision or until 30 days after the bid or proposal opening, whichever is earlier. If a vendor feels that public scrutiny of certain information contained in its bid proposal could be detrimental to its business, the vendor should identify the specific information in question and cite the governing statute and section which exempts such material from public scrutiny. A general statement to hold its entire proposal in confidence will not be honored. If the information in question does not qualify for an exemption under Chapter 119 F.S., the vendor will have the option of withdrawing its request for confidentiality or withdrawing its entire bid proposal.

For the purpose of bid evaluation, bidder/proposers must clearly stipulate any or all variances to the bid documents or specifications, no matter how slight. 15. ADDENDA TO BIDS IN PROCESS:

Interpretations of the bid, clarification of bid specifications and requirements or changes to the bid which have a *material effect* will be documented and communicated to bidders only by written addenda. Verbal responses to bidders' questions do not constitute an *official response* unless documented in the form of written addenda and shall be considered inadmissible in bid protest proceedings. All such written addenda should be acknowledged. Failure to acknowledge addenda containing material changes may constitute cause for rejection of your bid proposal.

17. SAFETY REQUIREMENTS:

The Purchasing Department may seek alternative bids, whenever possible, for select products containing recycled materials. Such products shall be purchased as long as all specifications are met and the price does not exceed an amount 10% more than the cost of comparable products made from 100% virgin materials.

20. MANUFACTURER'S CERTIFICATION:

PINELLAS COUNTY SCHOOLS GENERAL TERMS AND CONDITIONS

The Purchasing Department reserves the right to request a separate letter from the manufacturer of the products bid certifying that all statements and claims made in the bid proposal are true, and that all products bid meet or exceed the specifications stated in the bid documents.

21. BID QUANTITIES:

Quantities listed in the bid are estimates provided for bidder information purposes only. No guarantee is given or implied as to the exact quantities which will be purchased from this bid. The District reserves the right to increase or decrease all estimated quantities during the term of this contract or to delete any item or items as it deems appropriate, without affecting the bid pricing or the terms and conditions of the bid.

22. METHODS OF AWARD:

- a) **"By Item"**: Each item in the bid will be awarded individually to the lowest responsive and responsible bidder.
- b) **"All or None by Group, Section or Category"**: The bid will be divided into Groups, Sections or Categories of similar types of items when it would be impractical to split the award to multiple vendors. Each Group, Section or Category will be awarded to the lowest responsive and responsible bidder in total. Bidders are required to bid all items within the Group, Section or Category in order to be considered for award of that Group, Section or Category. After bids are opened and tabulated, the purchasing department reserves the right to delete one or more items within a Group, Section or Category and recommend award of the balance of the items contained within that Group, Section or Category, if it is in the best interests of the district.
- c) **"All or None"** in total.
- d) **"Primary & Secondary Suppliers or Contractors"**. The bid is awarded to both a **Primary** and a **Secondary** supplier or contractor when it is critical to have a backup source of supply, or when it is anticipated that only one vendor cannot effectively handle the volume of business generated under the contract. In the event that the **Primary** supplier or contractor cannot perform in accordance with the district's needs, the district reserves the right to use the **Secondary** supplier or contractor at its sole discretion. The **Primary** and a **Secondary** suppliers or contractors are defined as the two lowest Responsive and Responsible bidders.
- e) **"Rotating Short List of Contractors"**. The bid is awarded to a short list of Responsive and Responsible contractors, the number of which is pre-defined in the bid documents. The district will use a list of selection criteria to determine eligibility to make the short list. Project work is rotated through the short list as it is identified. Every effort is made to equitably distribute the workload amongst all contractors.

23. DELIVERY LEAD TIME:

Each bidder shall state the number of consecutive calendar days they require after receipt of order (A.R.O.) to either complete delivery or provide the requested services in the space provided on the **Bid Proposal** form. The length of time to complete a project and deliver all of the items ordered could be a factor in awarding this bid. If a finite number of days has been specified for delivery or project completion, this deadline must be met. If a finite number of days has not been specified in the bid and the bidder has not stipulated a specific lead time for delivery in their proposal, orders will be considered delinquent after 30 days from the issue date of the purchase order.

24. TAXES:

ALL District purchases are exempt from ALL Federal excise and most State sales tax.

25. FISCAL NON-APPROPRIATIONS CLAUSE:

In the event sufficient budgeted funds are not available for a new fiscal period, the purchasing department shall notify the vendor of such an occurrence and the contract shall terminate on the last day of the current fiscal period without penalty or expense to the district.

26. BID SAMPLES:

The bidder shall provide product samples, without charge, when requested. Criteria used to determine compliance with specifications include, but are not limited to: performance, delivery lead time, workmanship, fit and finish, compatibility with existing stock, and durability. If the sample is not consumed through testing, it will be returned to the bidder when said request is submitted with the bid. Unused samples will be returned at the bidder's risk and expense. The successful bidders' samples may be retained until all the terms of the purchase order or contract have been fulfilled. All samples are to be submitted at the place indicated in the **Special Conditions** section of the bid in accordance with the instructions outlined therein.

27. TIE BIDS:

Prompt payment discounts offered by bidders will be considered to break tie bids.

- a) If all other factors are equal and no prompt payment discounts are offered, preference will be given to a Florida resident vendor over an out-of-state vendor.

PINELLAS COUNTY SCHOOLS GENERAL TERMS AND CONDITIONS

- b) If all vendors are Florida residents, a Pinellas County vendor will receive preference; if there is no Pinellas County vendor, preference will be given to the one closest to the Pinellas County School Administration Building, based upon mileage data provided by on line map search.
- c) If all vendors reside out-of-state or all reside within Pinellas County, preference shall be given to a bid received from a business that certifies that it has implemented a drug-free workplace program in accordance with section 287.087, Florida Statutes.
- d) In order to receive preference, a signed certification of compliance must be submitted with the bid response.
- e) If all bids, or no bids include a certificate of compliance, the tie will be broken by a coin flip in the presence of witnesses.

28. ERRORS AND OMISSIONS:

In the event a clerical error or obvious omission is discovered in a bidder's proposal, either by the purchasing department or the bidder, the bidder may have the opportunity of withdrawing their bid, provided they can produce sufficient evidence to document that the error or omission was clerical in nature and unintentional. Copies of working papers, calculations, etc., may be requested at the purchasing department's discretion, to support the validity of such a request. A bidder will not be allowed to change any information contained in its bid proposal; however, in the event of a minor omission or oversight on the part of the bidder, the purchasing department (or "designee") may request written clarification from a bidder in order to confirm the district's interpretation of the bidder's response and to preclude the rejection of its bid, either in part or in whole. The purchasing department will have the authority to weigh the severity of the infraction and determine its acceptability.

29. BASIS OF AWARD OF BIDS:

When price and specification compliance are the primary criteria for making the vendor selection, the Director of Purchasing will recommend the lowest responsive and responsible bidder(s) to the Board. A "Responsive" Bidder is defined as one whose bid or proposal is in substantial conformance with the material requirements of the bid. A Bidder who substitutes its standard terms and conditions for the districts, or who qualifies its bid in such a manner as to nullify or limit its liability to the district may be considered non-responsive. A "Responsible" bidder is defined as one who is able to perform and satisfactorily fulfill the requirements described in the invitation to bid or request for proposal. The district may apply all, or any part of the following criteria to measure a Bidder's degree of responsibility.

- Size of firm
- District's past experience with firm
- Financial status of firm
- Capabilities of Management and Technical staff
- Labor relations
- Internal procedures of the firm
- Capacity of the firm
- Bonding capacity
- Reputation of firm among its peers
- Customer references
- Service after the sale
- Facilities and reserve facilities
- Location of firm
- Location of service facilities
- Professional credentials

When additional criteria other than price must be considered, a point system may be used to make the vendor selection, the Director of Purchasing will then recommend the vendor receiving the highest point score to the Board. With Requests for Proposals, where a point and ranking system is used to make the vendor selection, the Director of Purchasing will recommend the vendor ranked best to the Board. Slight variations or irregularities may be accepted by the Board if either is found to be in its best interest. The Director of Purchasing shall be solely responsible for determining the acceptability of a bid.

30. REJECTION OF BIDS:

A bid may be rejected by the purchasing department if it is non-responsive or the bidder is determined to be not responsible. The Board reserves the right to reject any or all bids received, but not for arbitrary or capricious reasons.

31. NOTICE OF INTENT TO AWARD BIDS:

Once bids are evaluated and a recommendation for award is received by the purchasing department, a *Notice of Intent to Award* will be posted on the purchasing department's Web site @ www.pcsb.org/purch. The recommendation for award is not official until this notice is posted. Intent to Award Notices are normally posted on or

Occasionally a supplemental posting may occur after the regular Monday posting if it is essential to include the bid on the next Board agenda. This schedule may vary depending on the Board meeting schedule from month to month. **Since this information is available as outlined above, the purchasing department will not mail or transmit intent to award notices to all bidders.**

32. BID PROTEST:

If a bidder wishes to protest a bid, they must do so in strict accordance with the procedures outlined in FS 120.57(3). Copies of this procedure are included in the bid document and are also available @ www.pinellas.k12.fl.us/purch/bidaward.html or from the purchasing department at the Largo Administration Building Office, 301 4th Street S.W., Largo, FL 33770-3536. In lieu of a bond, a cashier's check, certified bank check, bank certified company check, money order or U.S. currency will be acceptable form of security. If, after completion of the administrative hearing process and any appellate court proceedings, the district prevails, it shall recover all costs and charges which shall be included in the final order or judgment, including charges made by the Division of Administrative Hearings, but excluding attorney's fees. Upon payment of such costs and charges by the protester, the protest security shall be returned. If the protester prevails, he or she shall recover from the district all costs and charges which shall be included in the final order of judgment, excluding attorney's fees.

33. NOTIFICATION OF BID AWARD:

After the Board awards a bid, the purchasing department will issue an official award letter, a purchase order, or both, which will authorize the bidder to commence delivering materials or providing services.

Additional work must be authorized in advance by the buyer who will issue either a change order to the original purchase order or a supplemental purchase order. The vendor assumes all liability for any costs or damages incurred and payment will be denied for additional work if this procedure is not strictly followed.

Bidders are requested to provide products with environmentally safe packaging if at all possible. **The District assumes no responsibility for damage of any kind incurred while the items are in transit.** Bidders may adjust unit packaging up or down only when attempting to reach the next standard unit pack. Otherwise, only exact quantities requested will be accepted and no overages will be allowed.

42. PATENTS AND COPYRIGHTS:

The bidder agrees to indemnify and save harmless the Board, its officers, agents and employees, from and against any and all claims and liabilities of any nature or kind, including without limitation attorneys' fees and costs, for use of any copyrighted or non-copyrighted materials, secret process, patented or unpatented inventions, articles or appliances, furnished or used in performance of the contract for which the contractor is not the patentee, assignee or licensee.

School Board may be required to terminate the Agreement. Under the circumstances described in this subsection D., Contractor is liable for all costs associated with School Board as a result of the termination of the Agreement, including but not limited to higher costs for the same services and costs of re-procurement.

45. STANDARDS OF CONDUCT

46. ITEM SUBSTITUTIONS & DISCONTINUATIONS:

Under no circumstances may a vendor substitute a different product for any item they were awarded from this bid without prior approval from the Purchasing Department. In the event an awarded item is discontinued by the manufacturer or the vendor no longer offers the item in their product line during the term of this bid, the vendor **must** provide an acceptable substitute item at a mutually acceptable negotiated price, or risk being found in default. The vendor must file a written request with the purchasing department and be granted approval to substitute, in writing, before any substitution may be made. Requests to substitute should be accompanied by complete detailed, technical specifications for the proposed substitute item, and a sample, if requested. The district reserves the right to purchase on the open market while negotiations are being conducted.

47. RECEIPT OF MERCHANDISE & DELIVERY NOTIFICATION:

All materials or products rejected by the purchaser shall be promptly removed and replaced by the vendor at no charge. Deliveries shall be made between the hours of 8:00 a.m. and 2:30 p.m., Monday through Friday, excluding holidays. Exceptions to this schedule will be stated in the **Special Conditions** or on the purchase order. For shipments which may require the assistance of district personnel to off-load merchandise, or when the purchase order specifies vendor installation, the person to whose attention the items are being shipped should be notified a minimum of forty-eight (48) hours prior to delivery to allow sufficient time to prepare the area. Telephone numbers are included on all purchase orders directly below the *Ship-To Destination* address for this purpose.

48. EQUIPMENT DEAD ON ARRIVAL (D.O.A.):
