

Bay Point Middle School PTSA Welcome Letter 2022-2023

Welcome to the 2022-2023 school year! We are excited to begin another year at Bay Point Middle School, and hope you will join us in our efforts to promote inclusion, engagement, and community building. We all strive to support our scholars throughout their educational journey.

For all of our families we hope that the new school year provides additional opportunities to engage with you through meaningful volunteer opportunities and school events. The PTSA sponsors many exciting events throughout the year and we are always looking for volunteers to assist in making these events a success and a positive experience for the students. If you are interested in volunteering please come see us at the PTSA table to sign up, or email us at [reedel@pcsb.org](mailto:reedel@pcsb.org).

Please consider joining the PTSA as all membership dues go directly back to the school fund for much needed items such as technology, supplies, and initiatives designed to improve our students' educational experience.

If you have any questions, or would like to speak with us about ways you can get involved, please do not hesitate to reach out to us! We look forward to supporting our Bay Point Falcons!

Sincerely,

Elizabeth Reed  
Bay Point Middle PTSA President
