

# QUARTER 2 UPDATE

## STRATEGIC PRIORITY 2: SAFE AND RESPECTFUL CLIMATE AND CULTURE OBJECTIVE 5: BUILD POSITIVE, CARING CULTURES OF LEARNING IN EVERY CLASSROOM AND SCHOOL

Progress: July 2024 - December 2024

### OBJECTIVE 5 STRATEGIES IN ACTION

#### Supports for Teachers in the Classroom

Professional development has been provided to staff on implementing systems for students with significant behavior needs in self-contained classrooms. This **training** has been followed by **coaching in classrooms**, along with resources created by specialists and instructional staff developers to support the system and tangible reinforcers.

#### Digital Responsibility Skills in Schools

In the first semester, 92% of schools delivered **digital responsibility lessons** to students in the fall. Two additional lessons are planned for the spring semester. Further, a digital responsibility session will be featured at the **student leadership summit**, and a student **digital ambassador academy** is being planned for the summer.

#### Care for Every Classroom

Tyrone Middle, Disston Academy and Lealman Innovation Academy came together to welcome Gulf Beaches Elementary colleagues, students and families impacted by the hurricanes. At the same time, Walsingham Elementary, Southern Oak Elementary and Osceola Fundamental High opened their doors to those from Madeira Beach Fundamental.

### FAST FACTS

#### Mental Health and Well-Being

Six elementary sites (12 classrooms) and two middle schools have implemented calming corners designed to help students **regulate their emotions** and behavior while **remaining in the classroom**.

#### PCS PATHS Student Achievement

The PATHS program celebrated its first **early graduation**. Initially considering dropping out, the student **credited the PATHS program** for feeling **empowered**, being **employed**, and considering enrollment in **higher education**.

# QUARTER 2 UPDATE

## STRATEGIC PRIORITY 2: SAFE AND RESPECTFUL CLIMATE AND CULTURE OBJECTIVE 6: MAINTAIN SAFE AND SECURE ENVIRONMENTS

Progress: July 2024 - December 2024

### OBJECTIVE 6 STRATEGIES IN ACTION

#### Emergency Response Technology

The school board approved the acquisition of **wearable crisis alert badges** for all district staff. These badges will link to the PCS Schools Police Operations Center, county 9-1-1, and other local emergency dispatch centers. The badges are designed to be activated solely during critical incidents to initiate lockdowns and emergency responses.

#### Threat Management Enhancements

Schools have received **additional training and support** for the systematic use of the district's threat management planning and communication platform. These measures have **improved efficiency** in meeting regulatory requirements.

Additionally, training has expanded for both district and school-based threat management teams. This enhanced training aims to better equip teams to **identify warning signs** of concerning behaviors and potential threats to school safety.

### FAST FACTS

#### Collaboration for Safe Schools

Quarterly meetings between the **sheriff's office and district leaders** are held to enhance school safety.

#### Post-Hurricane Safety Repairs

Following the hurricanes, all school **safety infrastructures** were assessed and repaired to ensure the continued safety of students and staff.
