North Shore Elementary enjoys a very stable staff. We foster a healthy culture by promoting a Wellness Committee. This team of teachers are responsible for providing activities that encourage staff engage in healthy living activities such as exercise and healthy eating practices. Our Hospitality Committee works to support the social emotional aspects of a healthy employee.
Teacher Mentoring Program/Plan This section meets the requirements of Sections 1114(b)(1)(D) and 1115(c)(1)(F), P.L. 107-110, NCLB, codifie at 20 U.S.C. § 6314(b).
 Describe your school's teacher mentoring program/plan including the rationale for pairing
and the planned mentoring activities
Observation of mentee's instruction and providing feedback; Planning lessons with mentee;
Connecting lesson activities to content standards; Discussing student progress and analyzing
student work; Modeling or co-teaching lessons. Teachers are paired based on grade level placement.
 Multi-Tiered System of Supports (MTSS) / Response to Intervention (Rtl)
This section meets the requirements of Sections 1114(b)(1)(B)(i)-(iv) and 1115(c)(1)(A)-(C), P.L. 107-110, NCLB, codified at 20 U.S.C. § 6314(b).
 monitoring of your MTSS and SIP structures to address effectiveness of core instruction, resource allocation (funding and staffing), teacher support systems, and small group and individual student needs The school-based MTSS leadership team will focus meetings on the development and maintenance a problem-solving system to bring out the best in our teachers, our students and our school
community. The MTSS leadership team meets once a week to collaborate, problem solve, share effective practices, evaluate implementation, make decisions, and practice new processes and skills, based current school data and observations. The team will also facilitate the process of building consensu
increasing infrastructure, and making decisions about implementation. A member of the staff from primary and intermediate grade levels will meet monthly with members of the MTSS leadership team to collaborate, problem solve, share effective practices, evaluate
implementation, make decisions, and practice new processes and skills, based on current school da and observations.
The school MTSS leadership team will meet every 5-6 weeks to review universal screening data an
link to instructional decisions; review progress monitoring data at the grade level and classroom lev
to identify students who are meeting/exceeding benchmarks, at moderate risk or at high risk for not
meeting benchmarks. Based on the above information, the team will identify professional developm and resources.
What is the function and responsibility of each school-based leadership team member as
related to the school's MTSS and the SIP?
Cooper Dawson, Principal-Facilitator – generates agenda and leads team discussions
Kelly Moore -Data Manager(s)/Data Coach(es) – assist team in accessing and interpreting (aggregating/disaggregating) the data
Deb Knapp -Technology Specialist – brokers technology necessary to manage and display data
Marj Lorand -Recorder/Note Taker – documents meeting content and disseminates to team membe
in a timely manner as well as storing a hard copy in a binder for all teachers to access
Amy Kohnle -Time Keeper –helps team begin on time and ensures adherence to agreed upon ager
Describe the systems in place that the leadership team uses to monitor the fidelity of the school's MTSS and SIP

Tier 1: Progress Monitoring and Reporting Network (PMRN), Florida Kindergarten Readiness Screener (FLKRS), Early Childhood Observation Systems (ECHOS), Florida Assessments for Instruction in Reading (FAIR), Pinellas Classroom Assessment Series (PCAS), Florida Comprehensive Assessment Test (FCAT)

Tier 2: Florida Assessments for Instruction in Reading (FAIR), Progress Monitoring data; classroom assessments and observations

Tier 3: FAIR, Progress Monitoring data; classroom observations

Describe the data source(s) and management system(s) used to access and analyze data to monitor the effectiveness of core, supplemental, and intensive supports in reading, mathematics, science, writing, and engagement (e.g., behavior, attendance)

Classroom walkthroughs are conducted daily and weekly and data are collected around previously agreed upon areas. The data are shared weekly so that teachers have an opportunity to make the needed improvements. Teachers submit data related to behavior referrals and incident reports to the school psychologist on a month basis. The Child Study team collects daily and weekly attendance data to determine standouts and provide assistance as needed.

Describe the plan to support understanding of MTSS and build capacity in data-based problem solving for staff and parents

Professional Development will be provided in a variety of ways: embedded in the classroom through on-going modeling and work with literacy coach and district staff developers, provided during weekly grade level Professional Learning Community (PLC) meetings, and teachers' common planning time. Regular staff development opportunities to train staff on Rtl/Behavior (Positive Behavior Plans) will be scheduled during monthly curriculum meetings.

Increased Learning Time/Extended Learning Opportunities

This section meets the requirements of Sections 1114(b)(1)(B)(ii)(II)-(III), 1114(b)(1)(I), and 1115(c)(1)(C)(i) and 1115(c)(2), P.L. 107-110, NCLB, codified at 20 U.S.C. § 6314(b).

Research-based strategies the school uses to increase the amount and quality of learning time and help provide an enriched and accelerated curriculum:

Strategy: Before or After School Program

Minutes added to school year: 4,140

Strategy Purpose(s)

Instruction in core academic subjects, Enrichment activities that contribute to a well-rounded education

Strategy Description

Through our community partnerships and use of extended learning funds we will extended the school day to instruct and enrich in the core academics of math and science (\$26,693 for personnel and materials for "Do the Math", "Math Reads"). We also plan to use extended funds to support our gifted and talented program. Additionally, we will provide opportunities for activities that foster character development which will impact school behavior.

How is data collected and analyzed to determine the effectiveness of this strategy?

FCAT data was used to determine need for science and mathematics intervention. Students in the program will be progress monitor to determine if the interventions are effective. Behavior data are collected monthly. We will monitor the behavior of students attending the after school club.

Who is responsible for monitoring implementation of this strategy?

Principal, Assistant Principal and SBLT will monitor the implementation of these strategies and the results.

Literacy Leadership Team (LLT)

Names and position titles of the members of the school-based LLT

Carrie Johnson	1st Grade Teacher	
Cindy Baggett	2nd Grade Teacher	
Kelly Bockholt	4th Grade Teacher	
Paul Heyne	5th Grade Teacher	
Glenda Mauger	Specialist Teacher	
Kristin Verhine	ESE Teacher	

Describe how the school-based LLT functions (e.g., meeting processes, roles, functions) Literacy Leadership Teams create capacity of reading knowledge within the school by focusing on the following areas of literacy concern:

- Support for text complexity
- Support for instructional skills to improve reading comprehension

o Ensuring that text complexity, along with close reading and rereading of texts, is central to lessons

- o Providing scaffolding that does not preempt or replace text reading by students
- o Developing and asking text dependent questions from a range of question types
- o Emphasizing students supporting their answers based upon evidence from the text

o Providing extensive research and writing opportunities (claims and evidence)

• Support for implementation of Common Core State Standards for Literacy in Social Studies,

Science, and Technical Subjects (a focus on text, task, and instruction).

The district will provide training and tools for Literacy Leadership Teams.

What will be the major initiatives of the LLT this year?

Support for text complexity

- · Support for instructional skills to improve reading comprehension
- Support for implementation of Common Core State Standards for Literacy in Social Studies, Science, and Technical Subjects

Every Teacher Contributes to Reading Instruction

Describe how the school ensures every teacher contributes to the reading improvement of every student

Preschool Transition

This section meets the requirements of Sections 1114(b)(1)(G) and 1115(c)(1)(D), P.L. 107-110, NCLB, codified at 20 U.S.C. § 6314(b).

Describe strategies for assisting preschool children in transition from early childhood programs to local elementary school programs, as applicable

Kindergarten Teachers will hold an orientation for incoming students and their parents prior to the beginning of the school year. Readiness skills will be emphasized and good choices for academic and social characteristics will be presented. Materials will be available, as well as pamphlets covering a variety of helpful parenting subjects ranging from parenting skills, helping with homework, students with disabilities and what to expect at a parent teacher conference.

College and Career Readiness This section meets the requirements of Sections 1114(b)(1)(B)(iii)(I)(aa)-(cc), P.L. 107-110, NCLB, codified at 20 U.S.C. § 6314(b).

How does the school incorporate applied and integrated courses to help students see the relationships between subjects and relevance to their future?

How does the school promote academic and career planning, including advising on course selections, so that each student's course of study is personally meaningful?

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the <u>High School Feedback Report</u>, which is maintained by the Department of Education, pursuant to Rule 6A-10.038, F.A.C

Expected Improvements

This section meets the requirements of Sections 1114(b)(1)(A),(H), and (I), and 1115(c)(1)(A), P.L. 107-110, NCLB, codified at 20 U.S.C. § 6314(b).
