

Accessing FAST Star K-2 Assessment Results through the Family Portal

The Family Portal is a central location for student assessment results provided by the Florida Department of Education. Family Portal can be easily accessed via Focus.

When on your student's Portal page in Focus, click the Florida Statewide Assessments link in the top right to be taken to the Family Portal. No additional login information is required.

In Family Portal, you may view a summary of state test results and download detailed score reports. See the [FDOE Family Portal Guide](#) for details.
