## Sixth Grade Electives:

### Music

- Band 1: open to all 6th, 7th and 8th grade students who wish to learn how to play a band instrument.
- Band 2 (Intermediate) open to students who have at least one full year of band experience.
- Orchestra 1 - This is an **introductory** class for students interested in learning violin, viola, cello or string bass.
- Orchestra 2 - This class is for students with one or more years' experience, who are proficient in three basic scales and able to sight read Level E literature.
- Choir 1 – This is the first-year choir class, open to students with no previous choral experience

### Computers

- Information & Communication Technology 1 – A yearlong computer course that is an introduction to Core Computer Concepts, software, programing and lower level certifications.
- Computer Applications in Business 1 – A semester course that focuses on intermediate keyboarding, Word, Power Point, introduction to Excel and digital design and lower level certifications.

### STEM

- Intro to Manufacturing & Career Planning-Semester course where students will learn the importance of technology and manufacturing and how it applies to their personal lives.
- Exploring Technology & Career Planning- Semester course designed to be a hands-on, project-based class in which students develop problem-solving skills, a proper safety attitude, and basic skills in wood project construction.

### Visual Art

- Visual Art 1 – A semester course that covers basic visual art concepts. This would be a first step towards yearlong art class in 7<sup>th</sup> and 8<sup>th</sup> grade.

### Gifted

- Advanced Academics – The course is designed for gifted students to enrich and challenge them with rigorous material. This class is divided into three years focusing on different academic and interdisciplinary coursework.

### AVID

- AVID - Advancement Via Individual Determination, is a college readiness program designed to help students develop the skills they need to be successful in college. The program places special emphasis on growing writing, critical thinking, teamwork, organization and reading skills. Students must meet certain criteria to apply.
