June 8th, 2022

Dear 2023 SPHS Volleyball Parents and Candidates,

Thank you for your interest in St. Petersburg High School Volleyball. Being a part of the SPHS volleyball team demands time, energy, effort, and academic excellence. We are providing this packet so that you will be aware of what is involved before you make the commitment to our program.

Eligibility: The following criteria must be met for a student to be eligible to try out for volleyball at SPHS. The checklist in this packet provides additional details.

- The student must be enrolled at St. Pete High.
- The student must have a 2.0 (unweighted) GPA.
- School insurance and participation forms must be submitted prior to setting foot on the court for tryouts, conditioning, or open gyms.
- A current physical, on the school's physical forms (within the year) must be submitted prior to setting foot on the court for tryouts.
- The student must have no major discipline issues or referrals. (Note there is ZERO tolerance for fighting, drugs, alcohol, and other major infractions as described by the school board policy.)
- Any student who is not currently zoned for SPHS or who is transferring to SPHS must contact a volleyball coach before participating in fundraisers or setting foot on the court for tryouts, camps, conditioning, or open gyms.

Tryout and Practice Schedules: Please understand that the schedule and responsibilities of a volleyball player can be very demanding. Tentative times are shown on the schedules included in this packet. All times are TENTATIVE and may be adjusted if necessary.

Financial Responsibilities: Each player who makes the team will have the financial responsibilities listed below. Specific details are included in this packet and include the following:

- Fundraisers
- Expected player expenses

Parental Responsibilities: Parents will be expected to sign up for scorer's table duties, concession duty, and other volunteer duties as they become needed. Every effort will be made for parents not to be scheduled when their daughter's team is playing, as long as all JV and Varsity games are covered. In addition, parents are expected to help organize fundraising events, senior night, and the banquet. We really appreciate the contribution our parents make to supporting our teams and building a positive spirit!

Summer Opportunities: Open gym sessions for July will be available starting the week of July 17th.

Before tryouts begin, please read everything in this packet carefully and understand the responsibilities involved in being a part of the volleyball program. The progress and performance of the entire program are hindered when even one player fails to meet her obligations. We hope this information is helpful to you. We realize that being a part of this program requires a large commitment of time and energy, and we believe the experiences gained through being a Green Devil volleyball player will be worth the investment.

Sincerely,
Joe Abad, Varsity Coach

	JV.....	4:00-6:00

***Regular Season Practice Schedule Changes**

Some changes may and will most-likely occur, but will be announced with sufficient notice.

Player Responsibilities During Practice

Focus, Prep, Water, Towels: Each player is responsible for understanding that once we walk into a gym, our focus is volleyball and we will do our best to leave other issues at the door. Team members should be ready to go (shoes on, knee pads up, hair up, etc.) **15 minutes prior to the start of practice.** We suggest that you bring your own water and sweat towels if you need them.

Equipment Set-Up: The net and equipment should be set up **before** the practice start time. During the regular season JV will set up the net and Varsity is to take down the net.

Equipment Storage: Our equipment is expensive and should be carefully transported and stored in an orderly, respectful fashion.

Fundraisers

Each player is required to participate in volleyball fundraisers (e.g., car washes, serve-a-thons, student-faculty matches). These fundraisers help pay for camps, tournaments, banquets, awards, gifts, equipment, and other items for the program.

Most fundraisers will take place in the off-season. During winter and spring of the 2023-2024 school year, all 2023 players except for graduating seniors will be required to participate even if those players do not wish to play the following season.

More details will follow as the season progresses.

Expected 2023 Player Expenses

SPHS Volleyball

Junior Varsity Player: \$120 Total

\$60 Due August 7th, 2023

\$60 Due September 4th, 2023

Varsity Player: \$170 Total

\$85 Due August 7th, 2023

\$85 Due September 4th, 2023

Each player should plan to pay the amounts due on the dates shown above. Payment schedules are available upon request. These funds will be used for such items as equipment, supplies, team wear, team functions, banquet meals, camps, and tournament hotel costs and entry fees.

Parents will also have the option to purchase shirts and other items. Money for merchandise orders will be due on August 14th, 2023. T-Shirt sales and concessions have been our main source of fundraising and we've done well with it the last couple of seasons. If it continues to do well, there is usually not an organized fundraiser, as mentioned in the previous page.

Parent Permission Form

SPHS Volleyball

My child, _____, has my permission to be a volleyball player at St. Petersburg High School. I understand that if my daughter makes the team, she will be expected to abide by the rules and regulations set forth in the Student Code of Conduct and in the Volleyball Expectation Guidelines that will be provided after tryouts.

I understand that all required forms must be completed prior to tryouts and submitted no later than August 2nd 2023. I understand that if anything is missing, including signatures and notarization (if required), my daughter will be ineligible to try out or practice. I understand that if any of the tryout dates are missed due to any reason, my daughter may not be eligible to make the team and will have to tryout next season. I understand that my child must attend all practices and matches if she is to make the team unless she is excused by the coach or a doctor. I understand that qualified coaches will evaluate my child based on many different factors. I further understand those coaches will make the best decisions they can for the success of the program and the team.

I am aware there will be financial obligations required for my daughter to be a part of the volleyball program. I further understand that payment schedules are available upon request.

I am aware that being a part of the volleyball program requires a sacrificial commitment of time. I will do my best to help my daughter prioritize and improve on time management skills. I will try to schedule all doctors' appointments, lessons, and family vacations so that they will not conflict with volleyball activities.

I understand that my child must maintain a 2.0 unweighted GPA to be eligible, and I recognize that the volleyball program expects at least a 2.5 unweighted GPA. In past years, 96% of the team achieved a 2.5 or higher unweighted GPA and approximately 90% had a 3.5 or higher weighted GPA.

I have read and fully understand all the material included in this packet of information.

I, _____, understand that by signing this form I am agreeing to be considered for a spot on the 2023 Green Devil volleyball team. I agree to attend tryouts, report any injuries or conflicts to the coach, and turn in all paperwork prior to participating in any volleyball activities. I understand that there are many factors that contribute to whether I make the team, and I understand that the coaches will make the best decisions possible for the team and the program.

I recognize that if I make the team and accept my spot, I will be required to agree to the Volleyball Expectation Guidelines and to conduct myself in accordance with the Student Code of Conduct. I further understand that if I do not agree with the Volleyball Expectation Guidelines, I will have the option to decline my position on the team.

During my involvement with the summer activities and pre/post tryouts, I will make positive choices and not be tagged in or post anything on social media, (including but not limited to Facebook, Instagram, and Twitter), that reflects negatively or poorly on St. Petersburg High, my coaches, or my teammates. I understand that whatever I post or am tagged in on social media creates a perception and affects my reputation and the reputation of the volleyball program. I understand that as a part of the SPHS volleyball program I am to keep my reputation classy and ensure that I am supporting the perception that SPHS volleyball players are committed, dedicated and hard-working student athletes that strive for excellence.
