Trial Pro, P.A. would love to welcome all applicants in Pinellas county and Tarpon Springs High School. We'd be honored if you could present such opportunity to them.

This award will be available annually.

In order for the applicant to participate in this scholarship contest, they must meet the following criteria:

- Must be a high school senior at Tarpon Springs High School or full-time college student pursuing an Associate's, Bachelor's, or Master's degree in an accredited university.
- Applicant must have a minimum 3.0 GPA and maintain it throughout academic year.
- Student must be a US citizen or permanent resident.
- Please visit our site for full details and requirements.

Obtaining an academic degree is invaluable and our firm of law professionals recognizes that it is a prized achievement which often requires hard work, discipline and financial resources. Unfortunately, we understand that financial obstacles may hinder some students from seeking their Associate's, Bachelor's or even Master's degree. Just as we are driven to help those who have been compromised in personal injury and car accidents, we understand that it is imperative to support our current generation of millennials who are pursuing a higher education. For this reason, we are pleased to grant this scholarship opportunity.

We wish Tarpon Springs High School students a wonderful academic year!

The deadline for submissions is Friday, May 1st, 2020 and the award will be announced on Monday, May 11th, 2020.
