Welcome to 2nd Grade!

I am pleased to welcome you to the 2024- 2025 school year! I am looking forward to having your child as a student. Second grade is such a fun year with so many wonderful learning activities to celebrate. In order to have a fun year, my most important goal is to create a family of learners in my classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners. In order to accomplish this, I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision at home.

About Me

Hello, I'm looking forward to a wonderful school year filled with lots of opportunities for growing academically, socially and emotionally. I can't believe I'm starting my 29th year of teaching! Over the years I've taught every grade from kindergarten through 6th grade. This will be my 13th year teaching at Perkins. I'm excited to join this fabulous 2nd grade team and be with second graders all day!

I'm grateful to say I was also a Perkins parent. My daughters both attended Perkins. My oldest is now a freshman in college and youngest daughter is in 6th grade!

Contact Me

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
