Dear Parents,

RE: Christine Vehar                      Out Of Field/ ESOL Endorsement

Our outstanding teachers are dedicated to our students and to the goal of having them reach their highest level of academic achievement. Our teachers are all certified by the state of Florida. In addition, they attend workshops designed to keep them current with the best strategies to help our students achieve.

Initial teacher selection and on-going determination of class assignments is a challenging process. It often becomes necessary to assign a teacher to instruct a course/subject for which he/she is not currently certified. These decisions are made with consideration to teacher competence and with a continual commitment to highest student achievement.

Teachers assigned out-of-field are chosen carefully, given additional district support and are expected to work towards appropriate certification in a timely manner.

Sincerely,

Robert Vicari  
 Principal, Carwise Middle School

Dear Parents,

Our outstanding teachers are dedicated to our students and to the goal of having them reach their highest level of academic achievement. Our teachers are all certified by the state of Florida and they attend professional development designed to keep them current with the best strategies to help our students achieve.

The No Child Left Behind (NCLB) Highly Qualified Teacher Act requires a teacher to document subject matter competency. Until this is completed, the teacher has not met the highly qualified teacher standards of the NCLB Act.

The following teachers are in the process of meeting the compliance standards for NCLB:

**Joyce Moody/ Elementary Ed K-6**

I am confident that these teachers will provide effective instruction in a safe learning environment to all of their students.

Our teachers and staff work diligently to meet the needs of every student in our school. Your continued support of your child's education is appreciated. Should you have questions or concerns, please feel free to contact me.
