# Your Support Means So Much

**For a tax-deductible donation of \$100 or more, a classroom or a program may be adopted.**

*Adopt-A-Class* funds are used to provide something exciting and substantial for the whole class. Many of our teachers would otherwise spend their own money for these extras.

The objective of the *Adopt-A-Class* program is to:

1. Seek financial support for our classrooms and programs for special projects beyond the basics
2. Create an environment where the students and faculty feel the community supports our efforts to provide quality education.
3. Generate an attitude of pride and mutual respect between our students and our community

In addition to the classroom, *Adopt-A-Class* funds may be applied to the school, or to these departments:

- Art
- Music
- Science
- Spanish
- PE
- Media Center

**Check with your employer about matching funds!**

- Your donation is tax-deductible
- Your name will displayed on the Adopt-A-Class bulletin board
- You will receive a letter of thanks from the class
- Your donation will be acknowledged in the school newsletter
- You will be invited to the annual volunteer appreciation event

*Thank you!*
