

SEPTEMBER 2024

PLUMB NEWSLETTER

Dear Plumb Families,

We are now in September, and this is a very important month for school. One important thing is students have learned expectations and are now fully engaged in learning. Another important thing about September is that it is our first round of testing has begun. Students will establish the starting point for their learning this month. The final two important things about September are the focuses on attendance and kindness. An attendance spirit week and Say Hello Week will take place in September. These weeklong initiatives help students and families understand the importance of being in school every day and building positive relationships with others.

We hope to see you at some of our September events like PTA General Meeting and Family Lunch Day.

Sincerely,
Mrs. Del Duca
