Dear Families,

As we move into this season of Thanksgiving, we are very thankful to have you as part of our PCE family. We are grateful for your partnership and for your children we get to nurture each day.

When we return from Thanksgiving break our Cycle 2 testing will begin for students in PreK- 5th grade for reading and math. Teachers will share with you the days your child will be testing. Be sure your child is in school, on time, and ready. Parents, your child's attendance is crucial to their success in school. Each day missed results in lost learning. Students should only miss for sickness and appointments should be scheduled after school as much as possible. As a reminder students cannot be signed out after 2:20 and you need your ID when signing out your child.

## Upcoming Events
