

GET FREE WIFI

FROM ANYWHERE!

Pinellas County Schools, in partnership with T-Mobile, is now offering students FREE internet access and mobile hotspots to close the digital divide!

K-12 students in Pinellas County public schools without reliable Internet access at home are eligible to receive a **FREE** LTE hotspot device. The hotspot is able to connect to 15 devices and comes with unlimited high-speed data.

SIGNING UP IS SIMPLE!

Just request a hotspot from your classroom teacher, school counselor or school librarian.
