Sunshine Opportunity Scholarships accepting applications for 2025 from students in Hillsborough, Pinellas counties

The Sunshine Opportunity Scholarships program is accepting applications from Tampa Bay area high school seniors for its 2025 college scholarships. The application period runs from Dec. 1, 2024, through March 2, 2025.

The awards are worth \$25,000 over four years (\$6,250 per year), renewable annually for students who remain in good academic standing. Applicants should be high achieving high school seniors in Hillsborough or Pinellas counties who have overcome significant obstacles in life and who plan to attend an in-state public university for their undergraduate studies.

Up to 10 scholarships are expected to be awarded. Winners will be notified in April. Students may apply on-line at <http://www.sunshineopportunityscholarships.com>. Sunshine Opportunity Scholarships are also offered to students enrolled in high schools in Florence and Marion, SC, and Avery County High School in Newland, NC.

Last year, nine Tampa Bay area students received scholarships.

The awards are sponsored by the Godbold Foundation Inc. of Tierra Verde, FL. For more information, contact scholarship administrator, Nancy Waclawek, at nancy@sunshineopportunityscholarships.com.
