

Electronic Discipline Progression:

- Is done by each class

1st is a verbal warning

2nd is a written warning entered into Focus by the teacher and the teacher contact's home

3rd is a referral to the office which results in lunch detention, the phone is collected till the end of the day and the parent is contacted by A.P

4th is a referral to the office which results in lunch detention, the phone is collected till the end of the day and the parent is contacted by A.P

5th is a referral to the office which results in a lunch detention and the phone is collected till the end of the day and the parent is contacted by A.P

6th is a referral to the office which results in a period of ABC for the class they received the referral in, and the phone is collected till the end of the day, the parent must come to pick up the phone, and parent is contacted by A.P

7th is a referral to the office which results in a period of ABC for the class they received the referral in, and the phone is collected till the end of the day, the parent must come to pick up the phone, and parent is contacted by A.P

- If it becomes excessive a plan will be put in place where the student will have a check-in/check-out process for their phone each day
