Be sure to include the child listed at the top of the form. If there is not enough space to list all children, use a second form and attach the forms together. List the date of birth of each child. In the next three columns, circle Yes or No to answer each question for each child listed. **STEP 2:** Enter either the FAP/SNAP or TANF case number in the designated space. The case number will be on your letter of eligibility; it is not the number on your EBT card. **STEP 3:** Skip this step. **STEP 4:** Skip this step. **STEP 5:** Enter your address and phone # (if available). An adult household member must sign the form. Print the name of the person who signed the form, then enter the date signed.

In the next three columns, circle Yes or No to answer each question for each child listed. **STEP 2:** Skip this step. **STEP 3:** Enter the total income received by all children listed in STEP 1, then check how often the income is received. **STEP 4:** List all adults age 19 and older that are supported with the household's income, even if they are not related to you and even if they receive no income. If there is not enough space to list all adults, use a second form and attach the forms together. For each adult, list the amount of income he/she regularly receives before taxes or anything else is taken out and circle how often the income is received (frequency) in the appropriate columns. If self-employed, list net income. See examples below for sources of income to report. For any adult with no income, write "none" or "0." Any income fields that are blank will also be counted as a zero (0). Enter the total number of household members (all children and adults), then list the last four digits of the social security number (SSN) of the adult completing/signing the application (or write NONE if he/she has no SSN). **STEP 5:** Enter your address and phone # (if available). An adult household member must sign the form. Print the name of the person who signed the form, then enter the date signed.

## PARENT LETTER FOR NON-PRICING PROGRAMS

Dear Parent/Guardian:

Date: \_\_\_\_\_

We participate in the Child Care Food Program (CCFP), which provides reimbursement for serving nutritious meals to enrolled children. All meals served must meet meal pattern requirements established by the U.S. Department of Agriculture (USDA). In the operation of USDA child feeding programs, no person will be discriminated against because of race, color, national origin, sex, age, or disability.

The information requested on the attached Free and Reduced-Price Meal Application is necessary so that we may receive reimbursement for meals served to your child while in care. The amount of reimbursement we receive from the CCFP depends on the household income status of the enrolled children. Please complete the attached application, sign, date, and return it to the address listed below. **Please refer to the back of the application for full instructions.** Your application will be placed in our files and kept confidential.

Children from households that receive Food Assistance Program (formerly known as the Food Stamp Program) or TANF (Temporary Assistance for Needy Families) benefits are eligible for free meals. Children enrolled in Head Start or Early Head Start (HS/EHS) are eligible for free meals, subject to the submission of official, acceptable HS/EHS enrollment documentation. With proper documentation, HS/EHS children will not need Free and Reduced-Price Meal Applications. Foster children are eligible for free meals regardless of the income of the household with whom they reside, subject to the submission of official, acceptable foster care agency/court documentation or a Free and Reduced-Price Meal Application. Children from households with total incomes less than or equal to the levels listed below are eligible for either free or reduced-price meals.

#### HOW TO COMPLETE:

If any member of your household currently receives Food Assistance Program (FAP) or TANF benefits, then any child in the household is eligible for free meals. The application must include the child's name, the FAP or TANF case number, and the signature of an adult household member.

If completing a Free and Reduced-Price Meal Application for a foster child, the application must identify the child as a foster child, and include the child's name, any "personal use" income, and an adult's signature. Households wishing to apply for meal benefits for foster children should contact us if they have any questions.

If you do not list a FAP or TANF case number, or if the child is not a foster child, the application must include:

- the child's name;
- the names of all household members, including spouse, children, parents or other persons who live with you in the same household;
- the amount of income each person usually receives (before deductions for taxes, social security, etc.), how often it is received, and where it is from, such as wages, retirement, or public assistance. For self-employed persons, list net income. Net income is defined as gross receipts less operating expenses. For persons who do not receive any income, write "0" or "None";

- the signature of an adult household member; and
- the last four digits of the social security number of the adult household member who signed the application or the word "none" if that adult does not have a social security number.

**VERIFICATION:** Your application may be reviewed by the child care center or other officials at any time during the year to determine if it has been correctly approved. **CONFIDENTIALITY:** The information that you report will be used only to determine eligibility for free or reduced-price meals in the CCFP. **REAPPLICATION:** You may apply for free and reduced-price meals at any time during the year. If you are not eligible now but your household experiences a change, such as, a decrease in household income, an increase in household size, unemployment or receipt of Food Assistance Program or TANF benefits, then complete a new application.

**What you should know about Girls Inc Rules, Conduct and Discipline Procedures:**

Girls Inc. of Pinellas values safety as the highest priority for the girls in our care. Center rules are designed with safety in mind and we ask all families to help us in maintaining a safe environment by supporting our center rules, conduct and discipline procedures below.

Girls Inc has a zero tolerance policy for bullying and physical aggression or violence. We model the appropriate behaviors and abide by licensing regulations governing Pinellas County Children’s Centers.

Girls Inc staff is trained to handle conflicts in ways that encourage girls to compromise with others, to develop self-discipline, and to resolve conflicts in a non-violent manner. Our program staff:

- Observe and allow girls to resolve conflicts on their own.
- If the girls need additional encouragement, we offer mediation as necessary.
- If the problem persists or escalates, we separate the girls for a “cooling off” period.
- If the problem ***a) creates a safety concern, b) escalates to a physical/verbal altercation, c) is unmanageable and/or repetitive, or d) continues to be a distraction during activities,***

we discuss the behavior with the parent. Depending on the behavior, we may need to complete an incident report.

If the problem is ***an immediate safety issue or if physical violence results*** after taking the above actions, parents of each girl involved will be called. Any girl participating in physical violence will need to leave with their parent and may be suspended for the next day.

#### **What You Should Know About Transportation:**

Safety and behavior policies while being transported are outlined by each driver. Families will receive notification of violations reported by drivers. Repeated violations of safety and behavior policies could result in suspension of transportation.

If your child is under the age of 6 years old and/or weighs less than 40 lbs, they may be required to be seated in a child restraint device. Check Yes, if your child requires a restraint device **OR** check No, if this does not apply to your child.

\*\*Yes [ ] No [ ]

#### **How You Drop Off and Pick Up; Sign In and Sign Out your child:**

Children are required to be escorted into the Center by a parent/guardian or authorized pick up person listed in the Emergency Contacts section of the Child's Enrollment Record contained in this registration packet. Parents/Guardians or pick up persons may be asked to show their photo ID at any time throughout the term. Girls Inc of Pinellas uses a computerized scanning system that assigns a unique bar code to each child located on their individual ID badge kept at the Center front desk. Parents/Guardians or pick up persons must make sure that each child is signed in and out each day of attendance. Parents are responsible for arranging child pick up prior to the center closing at 5:30 pm. We close **promptly at 5:30 pm**. There will be a \$5 per minute late charge, adjusted from \$1 per minute, for anyone picking up children after 5:30 pm, as a gesture of appreciation towards our team, sparing them from staying late after a full day of programming. All late pick up fees must be paid **BEFORE** the participant returns to aftercare. **No exception**. A non-emergency call to the appropriate authorities will be warranted after 6:00 pm. A family that is late for pick up three times may be terminated.

When life happens...Don't be a  
**DISTRACTED  
ADULT**

## FACTS ABOUT HEATSTROKE:

It only takes a car **10 minutes to heat up 20** degrees and become deadly.

Even with a **window cracked**, the temperature inside a vehicle can cause heatstroke.

The body temperature of a child increases **3 to 5 times faster** than an adult's body.

## PREVENTION TIPS:

- Never leave your child alone in a car and call 911 if you see any child locked in a car!
- Make a habit of checking the front and back seat of the car before you walk away.
- Be especially mindful during hectic or busy times, schedule or route changes, and periods of emotional stress or chaos.
- Create reminders by putting something in the back seat that you will need at work, school or home such as a briefcase, purse, cell phone or your left shoe.
- Keep a stuffed animal in the baby's car seat and place it on the front seat as a reminder when the baby is in the back seat.
- Set a calendar reminder on your electronic device to make sure you dropped your child off at child care.
- Make it a routine to always notify your child's child care provider in advance if your child is going to be late or absent; ask them to contact you if your child hasn't arrived as scheduled.

**During the 2018 legislative session,** a new law was passed that requires child care facilities, family day care homes and large family child care homes to provide parents, during the months of April and September each year, with information regarding the potential for distracted adults to fail to drop off a child at the facility/home and instead leave them in the adult's vehicle upon arrival at the adult's destination.

## **What should I do if my child gets sick?**

Consult your doctor and make sure your child gets plenty of rest and drinks a lot of fluids. Never give aspirin or medicine that has aspirin in it to children or teenagers who may have the flu.

### **CALL OR TAKE YOUR CHILD TO A DOCTOR RIGHT AWAY IF YOUR CHILD:**

- Has a high fever or fever that lasts a long time
- Has trouble breathing or breathes fast
- Has skin that looks blue
- Is not drinking enough
- Seems confused, will not wake up, does not want to be held, or has seizures (uncontrolled shaking)
- Gets better but then worse again
- Has other conditions (like heart or lung disease, diabetes) that get worse

## **How can I protect my child from the flu?**

A flu vaccine is the best way to protect against the flu. Because the flu virus changes year to year, annual vaccination against the flu is recommended. The CDC recommends that all children from the ages of 6 months up to their 19th birthday receive a flu vaccine every fall or winter (children receiving a vaccine for the first time require two doses). You also can protect your child by receiving a flu vaccine yourself.

## **What can I do to prevent the spread of germs?**

The main way that the flu spreads is in respiratory droplets from coughing and sneezing. This can happen when droplets from a cough or sneeze of an infected person are propelled through the air and infect someone nearby. Though much less frequent, the flu may also spread through indirect contact with contaminated hands and articles soiled with nose and throat secretions. To prevent the spread of germs:

- Wash hands often with soap and water.
- Cover mouth/nose during coughs and sneezes. If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands.
- Limit contact with people who show signs of illness.
- Keep hands away from the face. Germs are often spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose, or mouth.

## **When should my child stay home from child care?**

A person may be contagious and able to spread the virus from 1 day before showing symptoms to up to 5 days after getting sick. The time frame could be longer in children and in people who don't fight disease well (people with weakened immune systems). When sick, your child should stay at home to rest and to avoid giving the flu to other children and should not return to child care or other group setting until his or her temperature has been normal and has been sign and symptom free for a period of 24 hours.

**For additional helpful information about the dangers of the flu and how to protect your child, visit: <http://www.cdc.gov/flu/>**

### **What is the influenza (flu) virus?**

Influenza ("the flu") is caused by a virus which infects the nose, throat, and lungs. According to the US Center for Disease Control and Prevention (CDC), the flu is more dangerous than the common cold for children. Unlike the common cold, the flu can cause severe illness and life threatening complications in many people. Children under 5 who have the flu commonly need medical care. Severe flu complications are most common in children younger than 2 years old. Flu season can begin as early as October and last as late as May.

### **How can I tell if my child has a cold, or the flu?**

Most people with the flu feel tired and have fever, headache, dry cough, sore throat, runny or stuffy nose, and sore muscles. Some people, especially children, may also have stomach problems and diarrhea. Because the flu and colds have similar symptoms, it can be difficult to tell the difference between them based on symptoms alone. In general, the flu is worse than the common cold, and symptoms such as fever, body aches, extreme tiredness, and dry cough are more common and intense. People with colds are more likely to have a runny or stuffy nose. Colds generally do not result in serious health problems, such as pneumonia, bacterial infections, or hospitalizations.
