

Caregiver Support Services

Are you a parent or caregiver who needs support caring for a child with difficulties or disabilities?

We provide families with short-term respite and support services to reduce stress and promote family stability.

Explore the Benefits of Respite

Including:

- Improve caregiver/child and sibling relationships
- Reduce Parent and Caregiver stress
- Focus on personal and family goals
- Maintain a healthy family climate even during difficult times
- ...and more!

Who Needs Caregiver Support Services?

Services are designed for families with children with difficulties or disabilities who often present challenging demands on their Caregivers. Respite care provides Parents and other Caregivers with short-term child care services offering temporary relief to improve overall family well-being.

The program also connects families with needed resources to build and expand the family's support systems.

We provide services to any parent or caregiver caring full-time for a child ages 0-13 and living in Pinellas County.

The child may have a:

- Physical disability
- Social-emotional challenges
- Developmental delays/disability

Or a Caregiver may be experiencing an acute situational stressor leading to a strained family system.

The child may have an underlying medical condition but deemed “medically stable” and not requiring medical care during respite services.

If you or someone you knows needs help caring for a child, please call our intake line at: (727) 460-7947 or visit www.childrenshomenetwork.org

All Respite Services Will Be Available 7 Days a Week, Offering Flexibility to Meet the Needs of Each Family

- Family-Selected Caregivers
- Staff Respite Caregivers
- Drop-in Center Based Care
- Group Home Care

Caregiver Support

Caregiver Support Services helps families stay healthy and their children reach their full potential.

Respite Care provides a short-term break for Caregivers and gives their loved ones the continued care that they need.

- Research shows the importance of self-care for improved physical and mental health.
- Meet your personal and family goals
- Reduce household stress and expand your support network.

If you or a Caregiver you know needs a break, try CSS!

Services are provided FREE of charge for those who qualify.... so call today!
