Welcome Back Highlander Families

Dear Highlander Family,

As the proud principal of Dunedin Highland Middle School, it is my pleasure to welcome all Highlander families back on our campus for another amazing year. We are extremely elated to have students back in our hallways and classroom filling them with energy, enthusiasm, and the passion for learning while thriving for greatness. As a school staff we pride ourselves on helping every child feel welcomed, connected, and most importantly a member of our Highlander family. Additionally, we challenge all scholars to grow each year in their academic abilities while being the best scholar they can be. Here at Dunedin Highland Middle School, we have amazing educators who have spent hours planning and preparing classroom activities to engage our scholars in their learning environment. Our teachers utilize research-based best practices while analyzing academic data to determine our scholar's current skill levels and create goals for our individual scholars' growth and improvement. We believe that all scholars are capable of greatness.

Please be sure to visit our website helpful and informative school information. Our school calendar will be updated as we receive information from our district office.

I am honored to continue to lead as the principal of Dunedin Highland Middle School. We have accomplished many great things in such a short period of time, including making DHMS an "A" rated school. I can only imagine how far we will continue to grow. It is truly a privilege to be a part of a community where parents, teachers and scholars care for each other and strive to build positive relationships that support academic and social growth.

Once again, welcome back! Let's make it another great year together!
