ABOUT

John Hopkins Middle School is a one-of-a-kind school offering unique magnet programs in the district while providing opportunities for all students, parents, and community members to engage.

John Hopkins strives for academic excellence and opportunities for advancement by providing rigorous instruction, industry certification opportunities, high school courses, & AP course readiness by delivering unique experiences through our course selections, magnet programs, enrichment activities, clubs, and after-school programs. As a staff, we strive to teach students to be prepared, respectful, have integrity, deliberate, and be engaged is how our students will attain success in school and life.
