## ABOUT

McMullen Booth Elementary International Studies Center is an International Baccalaureate Primary Years Program Candidacy School, Pre-K through 5th Grade.

At McMullen Booth, we believe in educating the whole child to be global thinkers. By implementing the learner profile attributes through our PBIS and daily curriculum, we are preparing our students to be life long learners, to be aware of their place in the world, and how they impact those around them.

Because stakeholder relationships are so vital to the success of a school, we pride ourselves in our varied family events, dual English/Spanish communication, and strong PTA support.

## POINTS OF PRIDE
