

AETNA MEDICAL PLANS COMPARISON CHART

Please note: The dollar amounts are copays, deductibles, and maximums, which you pay; the percentages are coinsurance amounts, which you pay after you meet applicable deductibles.

Understanding How Much You Have to Pay

Health Reimbursement Account (HRA) (CDHP only). Use your HRA to pay your deductible, coinsurance, and Rx copays, reducing your out-of-pocket costs. The amount deposited in your HRA is prorated based on your benefits effective date.

See [page 47](#) in the 2025 Employee Benefits & Wellness Guide. Note the IRS requires that 100% of disbursements made from your HRA be substantiated or verified. See [page 48](#) in the 2025 Employee Benefits & Wellness Guide for the HRA rollover maximum, effective January 1, 2025.

- **Medical Plan Deductible** (Choice Share Plan, CDHP + HRA and Basic Essential). The amount you pay for medical expenses before the plan begins paying benefits.
- **Coinsurance** (Choice Share Plan, CDHP + HRA and Basic Essential). The percentage of eligible medical expenses you pay after paying the deductible for most services.
- **Copays** The fixed amount you pay for medical care and prescriptions.
- **Aetna Prescription Drug Program** (all plans). You pay copays for generic and preferred brand drugs. For non-preferred brand and specialty drugs, you pay the Rx deductible before you pay copays. In the Basic Essential plan, the deductible does not apply to the non-preferred brand drugs.
