Not all providers offer all services. Please confirm the services available at the provider when making your appointment.

Always call ahead to confirm their participation in your plan, and identify yourself as an EyeMed member to ensure you receive your maximum benefits.

Eye exams are available by Independent Doctors of Optometry at or next to LensCrafters, Pearle Vision, Sears Optical and Target Optical in most states. Doctors in some states are employed by the location. In California, optometrists are not employed by LensCrafters, Sears Optical and Target Optical, which do not provide eye exams. For LensCrafters, eye exams are available from optometrists employed by EYEXAM of California, a licensed vision health care service plan. For Sears Optical and Target Optical, eye exams are available from self-employed doctors who lease space inside the store.

*This list does not include laser vision correction surgeons. For laser vision correction providers, please call 1-877-5LASER6 or visit [www.eyemedlasik.com](http://www.eyemedlasik.com).*
