

EAST LAKE HIGH SCHOOL
PARTNER IN EDUCATION PROGRAM
“ADOPT A CLASS”

East Lake High School would like to request a voluntary donation to help defray the cost of paper, consumable student materials, and classroom supplies. Due to District-wide budget cuts and the amount of available funds from the State, we are accepting donations to help offset the expense to our school. You may donate to as many classes or special programs as you desire. Please indicate the department or teacher's name below. If you do not specify a particular department, East Lake High School will choose a department in need. If you wish a receipt for your donation, our school will provide one per your request.

Any donation that you give will be greatly appreciated and is considered a tax deductible donation. Your child's grades are not affected by any donation. Unused donation amounts will be carried over to the next school year unless it is specifically stated otherwise.
