+Saturdays and school breaks!

The Kidz Club (TKC) is a Prescribed Pediatric Extended Care (PPEC) center. A PPEC is a link in the continuum of care for children that provides daily skilled nursing care, enrichment activities, therapies, and other supports. PPEC provides nursing care at no out of pocket cost to families.

“With each school break comes a lot of anxiety about falling out of routine or regression of her skills. The Kidz Club has been instrumental in making sure Autumn is still meeting and exceeding her academic and social goals. The Kidz Club has provided a place of respite in an environment that we know goes above and beyond to care for our child.”
