

"HIDE" (LOCKDOWN) DRILL INSTRUCTIONS

During a "Hide" (Lockdown) drill your teacher will ask you to listen to his/her instructions and *might* ask you to assist with some tasks, such as:

- Making sure the door is locked.
 - Making sure that the window in the door is covered.
 - Making sure the lights are turned off.
 - Moving into "blind spots" of the classroom.
(These should be marked in each room)
 - Turning off the sound on your cell phone.
 - Staying as quiet as possible.
 - Remembering not open the door for anyone!
-

Intended Audience:
Elementary Students
