

Madeira Beach Fundamental 2024-2025 6th Grade Electives Course Request Handout

QR code to access form.

Our 6th Grade Educational Experience will include one of the following classes:

ELA Math Science Social Studies Fitness/Marine Science

- **Level 1 & 2 Reading will be placed into Intensive Reading**
- **Level 1 & 2 Math will be placed into Foundational Skills Math**

In addition to the above Required *Subject Area Courses* -students will select 2 electives to complete their 7 class periods schedule. Please know that we will do our best in placing students in their desired choices, but final scheduling is dictated by space availability, and academic priority. Course requests are not a final schedule. Student schedules will be available in late July (date forthcoming) for 6th Grade Orientation.

Fitness & Marine Science-become healthy and physically active; study of historical development of local habitats/marine life.

(Students will be *automatically placed*. PE waiver link: <https://focus.pcsb.org/focus/>)

Students will remain in PE until PE waiver has been completed and approved)

Circle one elective from this section & enter circled elective on form as your #1 or #2

- **Visual Art 1/3D 1** (Students will create exploring art at the beginning level)
- **Information Technology 1** (Students are introduced to Keyboarding, Word, PPT, and Excel)

Circle one elective from this section & enter circled elective on form as your #1 or #2

- **Chorus 1** (Students will use their voices as instruments suited for their level of experience)
- **Band 1** (Students will use their instruments suited for their level of experience)

Important information:

Students with Gifted, Reading, Foundational Skills Math, or AVID elective will replace your #2 elective choice.
