Conductors

•**Kelly Moss (Chorus)** Mrs. Moss graduated with a Bachelors of Arts in Music with a focus on vocal performance from the University of North Carolina - Greensboro, with additional course work in performance and education at the University of North Carolina at Chapel Hill. Through her teaching career, Mrs. Moss has had an even mix of experiences at both the Middle and Elementary School levels both in North Carolina and Florida. Since moving with her family to Pinellas County in 2016, Mrs. Moss has served as the proud Chorus and Music Theater teacher at Carwise Middle School. Her Choirs have each received all “Superior” ratings at the yearly Music Performance Assessments (MPA), with the Concert Choir earning the distinction of “Best of the Festival” at MPA in 2018. Mrs. Moss focuses her talents on ensuring students rise to a level of performance that matches the very high expectations she holds for each and every one of them. Over the past three years, she has helped 15 students qualify for the prestigious Florida Vocal Association’s All -State Chorus ensemble and 50 students qualify for All County Middle School Chorus in Pinellas County. Mrs. Moss resides in Pinellas County with her husband, who is also an educator, and their three daughters, all of whom attend Pinellas County Schools. Mrs. Moss is so honored and humbled to have been asked to lead this year’s All County Elementary Choir!

•**Kathleen Holmes (Orff)** has a degree in Voice Performance and a degree in Music Education from the College Conservatory of Music, University of Cincinnati and a Master's Degree in Creative Writing from Vermont College. She has been teaching music for 24 years and is currently the music teacher at Frontier Elementary. Mrs. Holmes is thankful for the opportunity to work with the All County Orff Ensemble this year, and hopes you will celebrate their hard work by enjoying their performance today.

•**Dr. Hernán Pineda (Drumming)** has been teaching general music and chorus at Bay Point Elementary Magnet School for 23 years, and during that time, has also created Guitar, Orff, Rock Band and World Drumming ensembles. Formed in 1998, his guitar ensemble was one of Florida's first guitar ensembles for elementary students, which was featured in the District T.V. program, Student Measures, and has performed at guitar festivals and events throughout the state. In 2013, he conducted the Pinellas All County Guitar Ensemble. His World Drumming Ensemble has been invited to perform at county events, such as the World Drumming Festival at John Hopkins Middle School and the Arts for a Complete Education: Principals’ Appreciation Breakfast at the Museum of Fine Arts in St. Petersburg. Dr. Pineda holds a Doctoral degree in Music Education from Boston University, Master’s from the University of South Florida, and Bachelor’s from Universidad del Valle, Colombia. He was featured in Teaching Music Magazine, as one of the first music educators nationwide to achieve National Board Certification. In 2004 and 2013, he was nominated as Pinellas County Music Educator of the Year.
