

Meet the teacher

MRS. KELLY BRYAN

My name is Mrs. Bryan and this is my 11th year teaching in Pinellas County Schools. I have taught Kindergarten for four years, Third Grade for one year and 1st grade for six years! This will be my SEVENTH year teaching 1st grade and I am very excited about it!!

I am originally from central Ohio and I moved to Florida to be closer to my family and to start a family of my own. I had my first baby in January of 2019. Ella Rose is 5 years old now and starting her new Kindergarten journey here at Bay Vista alongside me! Noah just turned two and is all boy! He just started at daycare! I'm sure you will hear a lot about both of them!!

I graduated from the University of Kentucky with a degree in Family and Consumer Sciences, I then went on to St. Petersburg College to their EPI program and received my second degree in Elementary Education, K-6

My husband, Philip and I enjoy traveling, Ohio State Football, playing with our two precious pups and our children, going to the beach, seeing the newest movies, and lots of cooking! Looking forward to a wonderful year with everyone! Cannot wait to meet each and every one of you
