Date: _____

Dear Parents,

On _____, our class will be going to Finance Park. This trip is a required part of the Personal Financial Management curriculum taught to all Pinellas County Schools students. **Finance Park is part of the Gus A. Stavros Institute and Pinellas County Schools.**

Each student will become a Finance Park citizen and assume a fictional life scenario complete with a career, annual salary, family status and investments. Students will experience money management firsthand by computing their net monthly income and creating a balanced budget, providing for their family and not exceeding their net monthly income.

We need _____ volunteers to assist with the simulation for the day. **We need your help!**

What is my role as a volunteer?

You are assigned to work in a business with a small group of children. Your duties will include:

- Facilitate group discussions.
- Assist students with completing tasks on time.
- Provide assistance and guidance as budgets are created.
- Enjoy lunch with your child during their assigned lunch break.

Important: You must be an active, approved volunteer at your child's school to participate. You can contact your school's Community Liaison to confirm your eligibility. Please verify your interest in participating in this simulation with your child's teacher.

We look forward to your participation in this exciting simulation experience. Please complete the form below and return by _____.

Volunteer Arrival Time

Volunteer Dismissal Time

Tear on dotted line and return bottom portion to school. Keep top portion for future reference.
