

# Math at Home

March

Welcome Bear Creek families to all things math! Check here monthly for new ideas, tips, games and even helpful videos to help you support your child at home.

Our goal at Bear Creek is for teachers, students and parents to "show up" to help your child learn and grow! Reach out if you ever have any questions!

-Kristin Goodwin  
Math Coach  
goodwinkr@pcsb.org

Students can get on Dreambox at home through Clever. Every students goal is 5-10 lessons/week. They should not exceed 15 lessons per week.

## PRE-K/KINDERGARTEN #s 11-20

-Practice naming, writing and drawing numbers 11-20. Use dice, counters or any household objects to practice counting.

## 1ST GRADE Add/subtract within 100

-Roll dice to make a 2 digit number (ie: 43). Roll di again to make a 1 digit number. Add them together. Repeat and do subtraction. Students can draw a number line or tens/ones chart to help.

## 2ND GRADE Add/Subtract to 100

-Practice rolling dice to make 2 digit number, repeat. Make an addition equation and solve. Repeat to practice subtraction. Students can draw a number line or tens/ones chart to help.

## 3RD GRADE Multiplication with 7,9,11,12

-Make flash cards for your 7, 9, 11, and 12 multiplication facts. Have an adult or sibling quiz you on your facts!

## 4TH GRADE Decimal Fractions

--Nearpod codes: C4IWK and EM4PN  
Complete the nearpods to practice multiplying and dividing fractions.

## 5TH GRADE ÷ fractions

-Roll a 10 sided dice two times. Divide the larger number by the smaller number and represent the quotient as a fraction.

### Helpful Materials

It would be helpful to have these materials at home to support your childs math learning.

- Index Cards
- One deck of playing cards
- 1 to 3 dice
- Paper/pencils
