Principal's Message

We are off to a great start this year! Just a couple of reminders for you. We will start our PM 1 FAST testing for all students this month. On September 11th, all students in a middle school math class will take PM1 FAST Math Assessment (no Alg or Geo). On September 17th, all students will take the PM1

FAST Reading Assessment. Both of these assessments are computer-based tests. Please help your student to remember to charge their computers the night before.

We have some great spirit days/nights coming up in September. All proceeds directly go back to help our students and school.

9/5– Three Brothers Pizza. All proceeds will go to our 8th Gr Field Day at the end of the year.

9/23– Jeremiah's Italian Ice in Palm Harbor. Make sure to tell them you're from ELMS. All proceeds will go to school beautification.

We will also have another Kona Ice Day at school on Tuesday, 9/24 during lunch.

Anonymous Reporting: As most of you are aware, Pinellas County Schools has partnered with Sandy Hook Promise which allows us to offer the Say Something Anonymous Reporting System. This allows stakeholders to submit a secure and anonymous safety concern that helps us identify and intervene in a proactive way. Please remind your student(s) that this is in place to assist with addressing a concern and also a way for someone get any help that may be needed – tips are passed along to appropriate law enforcement and school personnel. FortifyFL is also another reporting system that is available to report suspicious activity which allows Florida students and the community to relay any safety concerns. Both links can be found below. Our first Mental Health Lesson of the school year will take place on Monday, November 13th, where students received a refresher on the Say Something Anonymous Reporting System as well.
