Math at Home

Welcome Bear Creek families to all things math! Check here monthly for new ideas, tips, games and even helpful videos to help you support your child at home.

Our goal at Bear Creek is for teachers, students and parents to "show up" to help your child learn and grow! Reach out if you ever have any questions!

Fall Into Learning event is coming soon!!! Info on math and reading and a take home baggie with activities/materials!

Nov 16th 5:30-7 at Bear Creek

Students can get on Dreambox at home through Clever. Every students goal is 5-10 lessons/week. They should not exceed 15 lessons per week.

PRE-K/KINDERGARTEN

Identify, count and compare #s to 20

- Count everyday activities/objects
- Make flash cards for #s 1-20 (write the # draw the #. identify the #)

1ST GRADE

Add/subtract within 20

- Roll 2 dice and add the numbers. Use strategies you have learned at school to help (number line, doubles, make ten, draw a model, count on, etc.)

2ND GRADE

Add/Subtract to 100

- Roll 2 dice and make a 2 digit number. Repeat. Add both 2 digit numbers together. Use strategies you have learned at school to help (HTC chart, number line, decomposing, etc.)

3RD GRADE

Place Value

- Roll 2 dice and multiply your numbers!
Write the multiplication and division fact family for those numbers, too.

4TH GRADE

x and ÷ facts

- Roll dice 2 or 3 times (make a 2 or 3 digit number). Repeat. Multiply those numbers using strategies you have learned at school!

5TH GRADE

x and ÷ facts

- Roll dice 3 or 4 times (make a 3 or 4 digit number). Repeat. Multiply those numbers using strategies you have learned at school!

Helpful Materials

It would be helpful to have these materials at home to support your child's math learning.

- Index Cards
- One deck of playing cards
- 1 to 3 dice
- Paper/pencils
