

Dear Parent and/or Guardian:

Soon your child will have a valuable educational experience. As part of the Enterprise Village Unit being taught at school, your child will be visiting Enterprise Village for a day. The facility is located on Starkey Road at the Gus A. Stavros Institute.

Enterprise Village is a unique program that gives children the chance to function as both producers and consumers. They have been assigned to businesses within the village. Three times during the day, citizens will be paid with Enterprise Village money and have a chance to become consumers purchasing items sold in the various businesses.

To make this experience as realistic as possible, students will eat at the Enterprise Village McDonald's. **The cost will be \$3.00. Please send the money directly to your child's teacher.** We can only accept cash towards the lunch. All monies will be kept secured at the school. It will not be possible to use previously purchased lunch tickets or receive the McDonald's lunch via the free and/or reduced lunch program.

The date of your child's visit to Enterprise Village is: \_\_\_\_\_

The lunch money is due the week of: \_\_\_\_\_ . **Money cannot be accepted after this week. The lunch money is non-refundable.**

**We will need parent volunteers to make this day a success! If you are interested in volunteering, please complete the attached Volunteer Registration form. You will need to provide a copy of your photo identification (copies can be made at school). Please return the volunteer form by \_\_\_\_\_, to allow time for processing.**

Thank you very much for your help in making this an exciting and rewarding day. Be sure to ask your child about the activities he/she participated in at Enterprise Village.

With regard,  
The fifth-grade team
