Arrival and Dismissal Procedures

School Hours: 8:45 a.m. - 2:55 p.m.

Student Code of Conduct Parental Responsibilities (Policy 5500.01)

Will NOT leave their child at school more than thirty (30) minutes before the start of the school day or pick their child up more than thirty (30) minutes after the school day unless the parent has made special arrangements with a teacher, administrator, or before/after school care program. Supervision will not be provided beyond that time. This also includes school activities outside the regular school day such as clubs, dances, carnival, practices, and games.

Because of this policy, any student who is late being picked up 30 minutes after dismissal, will receive a warning letter. After the third time of being late, campus police will be called to pick up your child.

Students will be dismissed from the office only after parent or guardian has signed the student out. Students are not to be dismissed after 2pm to not interfere with dismissal. Parent/Guardian will need a picture ID for student to be released.

Absences and Tardiness

Absences can be reported using the Absent Online Reporting System from the school's website, calling the front office, or sending an email to your child's teacher. Within 48 hours of the student's return to school, they are to bring a note indicating the reason for the absence and be signed by a parent/guardian. If a student is absent more than three consecutive days, parents are required to call and provide a doctor's note.

A student is tardy when the student is not in his or her assigned seat at 8:45 a.m. Examples, but not limited to, of an **unexcused** tardy include:

- Oversleeping, missing the school bus, shopping/pleasure trips, car problems (ex., flat tire, no gas, car will not start), traffic, returned home for forgotten items, hair appointments.

Habitual tardiness is unacceptable and unfair to the other students because instruction is interrupted every time a late student arrives. **When a student is more than thirty minutes late, the state requires schools to code the tardy as "extreme tardy"**. Numerous incidents of early sign out are unacceptable and unfair to the other students whose instruction is interrupted each time a student is dismissed early.

****All students must be signed into the office by an adult after 8:45 am.**

Unexcused Absences

Any absence which does not meet the criteria of an excused absence is an unexcused absence. The following are examples of unexcused absences:

1. Out of school suspension
2. Family vacation

A letter shall be sent to the parent or guardian and a referral will be made to the school's Child Study Team for a student who has had at least 5 unexcused absences, or absences for which the reasons are unknown, within a calendar month, or 10 unexcused absences, or absences for which the reasons are unknown, within a 90-calendar day period.

Parent responsibility

Parents must keep the school advised of current addresses, employment and emergency phone numbers.

Tell the school principal if there is a change in residence or custody of the student, even if the parent thinks the student is still in the school's attendance zone. **The parent must tell the principal within five (5) days of the change.** If the school discovers that the parent has moved and the parent has not told them, their child could be considered to be "found out of that school's attendance zone". This could mean an immediate change of school for their child and their child could be deemed ineligible for athletics and other activities.

Child Care

YMCA will offer a program in the morning and afternoon. Please call: 727-467-9622. Also, there are other before and after care programs that drop off and pick up students in Vans. Call the front office or visit the Skycrest website for more information.

Breakfast & Lunch Program

The cafeteria serves breakfast and lunch each day. Breakfast and lunch are free for all Skycrest students; however, they must arrive before 8:35 a.m. so that they are not late to class and marked tardy.

School-wide Behavior Plan

The primary objective of the Skycrest Elementary School Behavior Plan is to provide an optimum educational opportunity for each child in school. Skycrest promotes a positive behavior approach to discipline and uses the online PBIS Reward program. We encourage all families to view this program on a regular basis to view student's point and any incidents. Pinellas County has implemented a restorative practices program throughout all schools.

Restorative practices involve strategies based on a mindset that maximizes building positive relationships to build a pro-social community through interactions that empower students to have a voice, to practice appropriate emotional expression, to experience empathy for one another, and to accept accountability.

When harm occurs, there are processes to repair the harm to the relationship. The following are restorative questions that explore what happened and how to make things right for all involved:

When challenging behavior:

- What happened?
- What were you thinking of at the time?
- What have you thought about since?
- Who has been affected by what you have done?
- In what way have they been affected?
- What do you think you need to do to make things right?

To help those affected:

- What did you think when you realized what had happened?
- What impact has this incident had on you and others?
- What has been the hardest thing for you?
- What do you think needs to happen to make things right?

For more information about Restorative Practices in Pinellas County Schools, please visit <https://www.pcsb.org/rp>

School Wide Guidelines for Success:

1. **S** - Safe
2. **O** - On task
3. **A** - Accountable
4. **R** - Respectful

School-wide Behavior Responses - (Violation of expectations will be dealt with on an individual basis)

Consequences may include:

- Alternative consequences with parent permission (example- complete acts of kindness, help another class, etc.)
- Minor referral documented in the PBIS Reward program
- Individual conference with the principal or school counselor
- Required parent, child, teacher, principal conference
- Major referral written for child
- Suspension from school/bus
- Alternative placement (classroom or school)
- Recommendation for expulsion from school/bus

Bullying and Harassment

The Board will not tolerate bullying and harassment of any type. Conduct that constitutes bullying and harassment, as defined herein, is prohibited. This policy shall be interpreted and applied consistently with all applicable State and Federal laws and the Board's collective bargaining agreements. Conduct that constitutes bullying, harassment, or discrimination, as defined herein and in F.S. 1006.147, is prohibited. For more information about the policy or bullying prevention and intervention visit the Pinellas County Schools website at <https://www.pcsb.org/page/3639>.

Skycrest Elementary is committed to providing a safe learning environment and will not tolerate bullying or harassment of any kind. Incidents of bullying or harassment can be reported to the administrators, Skycrest staff, or reported online at <https://www.saysomething.net/>. Policies and Procedures

Clinic

The nurse or office staff member will attend to all medication administration, prescription and over-the-counter, first aid needs, care plans, immunization validation, and medical records. All students MUST have a clinic card on file OR COMPLETE ONLINE. ALL medication must be brought by the parent (students are NOT allowed to bring medication to or from school) to the front office with proper paperwork completed. Sick students may be signed out and picked up in the front office. Parents/Guardians who need to contact the clinic may call the school at 727-469-5987.

Head Lice

The School Board has a policy to reduce the spread of lice in schools. If the student has lice or nits (egg sacs) it is district policy to send the student home and not allow them back until the student's hair is nit free. **Parents, please regularly check your child's hair for lice.** Please notify the school if you discover head lice. Students who have been sent home due to lice, must come to the front office the next day after being treated to be checked for any lice or nits. If the child is clear, he/she will be allowed to return to school. Any student with lice or nits will be allowed a maximum of three excused days unless extended by the school principal.

Health, Safety, and Physical Education

Emergency phone numbers for each child must be on file in the office. If your child has a physical problem, allergy, or any health problems, please notify the school nurse or a member of the office staff. Upon injury at school, the parents will be notified if the injury is serious. Minor injuries will be attended to at school.

Skycrest Elementary has a physical education program. Every child is expected to participate. Students will be excused by a doctor's statement or written parent request. Parent's written excuse is good for three days only. If a child is to be out of P.E. class longer than three days, a doctor's excuse note is required. Please note ALL **students should wear closed-toe, flat shoes to P.E.**

This dress code is as follows:

If there is a monetary charge for the field trip, the money must be paid on one of the two collection days. Parents often help by chaperoning field trips. However, for safety and liability reasons, preschool siblings may not go on field trips. All chaperones are required to be a registered volunteer. No child will be denied going on a field trip due to not being able to pay.
