

Meet The Teacher

WELCOME TO 2ND GRADE!!!!

ABOUT ME:

Hello!! My name is Ms. Gist. This will be my 18th year of teaching with Pinellas County Schools. I graduated from the University of South Florida, where I received my bachelor's degree in Elementary Education. I have worked at multiple schools within Pinellas County, and for the last three years my job duty was a district Math Instructional Developer. In my spare time I enjoy spending time with my friends and family, attending sporting events, shopping, and cuddling with my puppies.

I am so excited to welcome your child into my 2nd grade class. We are going to have so much fun learning and growing this year. I will be holding your scholar to high expectations because I truly believe that all children are capable of learning! Your scholar will be held accountable for their learning and they will become more of an independent, organized, and responsible student. I look forward to our partnership in helping your child reach their highest learning potential. Let's get ready for a GREAT year of Teaching and Learning, Learning and Teaching!!!
