

Dear Families,

Welcome to Pre-K! This is the year for our youngest learners to shine bright in our classrooms. It will be a year of magical wonder and amazing growth for your little star.

We are looking forward to working with you and your child as we teach them to reach for the stars. I believe that communication is the key to your child's success and to a great parent/teacher relationship.

If you have any questions or concerns please feel free contact us via email, Class Dojo or school phone number.

We are looking forward to our pre-k adventure with your child and family.

Sincerely,

The VPK Team
