VOCATIONAL EDUCATION PROGRAM

Communication Technology

I. PROGRAM REQUIREMENTS

   Refer to the project-specific Schedule of Spaces for student stations, square footage, and for any requirements that may differ from the prototype requirements listed below:

   1 Laboratory
   1 Audio/Video Production Room
   1 Material Storage Room
   1 Project Storage Room

II. PROGRAM FURNITURE AND EQUIPMENT

   Refer to the Furniture and Equipment List for Owner-provided furniture and equipment.

III. SPECIAL CONSIDERATIONS

   - Windows

     Provide an observation window, the entire length of the wall, from the Laboratory into the Audio/Video Production Room.

   - Communications

     Provide a clock, speaker and intercom handset in the Laboratory.

     Provide data outlets with adjacent power outlets in the Laboratory and in the AV/Video Production Room, number as directed, in accordance with District Design Guidelines.

     Provide a TV bracket with DVD bracket, CCTV jack, and adjacent power outlet in the Laboratory, in accordance with District Design Guidelines.

   - Electrical

     Provide a duplex outlet at each Owner-provided student workstation in the Laboratory.

     Provide power poles if required, located as directed.

   - Contractor-Provided Equipment and Casework

     Laboratory
     Provide six (6) linear feet of base and wall cabinets, to include the sink and one (1) adjacent bank of lockable graduated drawers, countertop to be 36" above the floor.

     Provide one (1) glasses/goggles sanitizing cabinet with 20 safety glasses and 10 goggles, in accordance with District Design Guidelines.

     Project Storage Room
     Provide five (5) general storage cabinets, in accordance with District Design Guidelines.

III.   SPECIAL CONSIDERATONS (continued)

- Contractor-Provided Instructional Aids

  Laboratory
  Provide a 12' wide x 4' high markerboard with a 4' wide x 4' high tackboard on one (1) side, bottom to be mounted 36" above the floor.

  Provide a wall-mounted video projection system in accordance with District Design Guidelines.

- Other Considerations

  Locate the Communication Technology Laboratory adjacent to the Technology Studies Laboratory, where provided.

  In the Laboratory the Owner will provide a total of 24 computer workstations. The type of workstation and the configuration will vary depending on the program and the design of the space.
